

Clinical Topics in Radiology for Primary Care 2018

Saturday, February 10, 2018 / 8:00 am - Noon
Aurora Conference Center

Join the Aurora Health Care Medical Group Imaging Services Division for a half-day conference focused on updates and new developments in radiology for Primary Care Providers.

Course Director

Dr. Lawrence Dubin

Agenda

- Thyroid Ultrasound
- Advances in IVC Filtration and other Interventions
- Amputation Prevention: Advances in Chronic Limb Ischemia Salvage
- Optimal Ordering of Body CT and MRI Exams
- Imaging of Low Back Pain
- Breast Density and Clinical Implications
- Coronary Calcium Score & Coronary CTA Appropriate Use for Patient Mgmt

Accreditation

Aurora Health Care is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

Aurora Health Care designates this live activity for a maximum of 4 AMA PRA Category 1 credit(s) TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Target Audience

This conference is designed for family medicine and internal medicine physicians, residents, nurse practitioners, physician assistants, and hospitalists.

Course Objectives

- Understand basic scope of radiology topics as it pertains to primary care practice
- Use appropriate indications for ordering imaging tests
- Explain benefits and limitations of exams to patients

ABIM Part II MOC

Successful completion of this CME activity enables the participant to earn up to 4 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
